

Mamie McFaddin-Ward Heritage Foundation

Hancock Whitney Trust and Asset Management serves as co-trustee of the Mamie McFaddin-Ward Heritage Foundation with several of Mrs. Ward's family members. This Foundation was created by Mrs. Ward in 1976 with the primary purpose of restoring and supporting the Mamie McFaddin-Ward House, which is open to the public as a house museum. The foundation also makes discretionary grants of approximately \$200,000 annually to local charities.
